10-24-2018

Parents and community members,

It is with great sadness that we received news of the death of a Joyce Community member on Tuesday afternoon. This community member was the father of one of our elementary students and the brother of a high school student.

Today began with a briefing of staff about the death and our plans to support students and staff. I asked ESD 114 to provide us with some additional counseling support today and they have been on campus along with Sherri Jones and other student support staff. The Crescent staff is very well connected with our students and we have chosen to monitor students, identify struggling students and provide support for them.

The counseling staff will be available as needed over the next few days. If you have any specific concerns or needs to help support you or your student, please contact the school office at 360-928-3311.

I want to offer my condolence to the immediate family, friends and community members for their loss.

Thank you,

David L. Bingham, Superintendent/Principal
